

CURRICULUM VITAE

Herschel Alpert

Position	Owner and CEO of K-MOS (a knowledge management business with specific focus on the South African tax industry) and hApp-e-tax
Qualifications	B. Com (WITS) LL. B (WITS) LL. M Tax (UJ) Admitted Attorney in the High Court of South Africa
Experience	1997 to 2006: Tax consultant at Andersen and KPMG (Associate Director) 2008 to date: K-MOS
Direct experience	<p>Herschel's experience with Andersen and KPMG was directed towards corporate tax. Among others, he obtained specialised skills in corporate tax structuring, mergers and acquisitions and tax compliance, servicing multi-national, high-profile clients.</p> <p>While at KPMG, he developed and implemented a knowledge management system for the maintenance of best practice tax and legal precedents. In 2008, KPMG employed Herschel (as CEO of K-MOS) to manage the three precedence databases he had implemented nationally for the firm.</p> <p>As CEO of K-MOS, Herschel has also developed a Tax App for mobile media users (smartphones and tablets). The core focus of the App is on tax legislation in South Africa as well as peripheral information related to the legislation. Its purpose is to make tax information accessible to users across the spectrum (from students to tax professionals) in a user-friendly manner.</p>
